

## SINOWAY Newsletter

Jan., 2024

### ☆Market information

1. Sinoway has fixed to attend below 3 exhibitions with separate booth in 2024

**Apr. 17~19,2024 CPhI Japan, Sinoway booth:6B33**

**Jun.19~21,2024 CPhI Shanghai, Sinoway booth:E1D57**

**Oct.08~10,2024 CPhI Milan, Sinoway booth:5C65-1**

Sinoway have been attending above exhibitions for 25+years as exhibitors and we have long term partners in above abroad areas.We sincerely hope to connect our professional team with customers worldwide.

2. Some main public holidays in 2024

Feb.10~17 Spring Festival holiday (8 days)

Apr.04~06 Tomb-Sweeping day holiday(3 days)

May 01~05 Labor's day holiday(5 days)

Jun.10 Dragon-Boat Festival(1 day)

Sep.15~17 Mid-Autumn Day Festival(3 days)

Oct.01~07 National day holiday(7 days)

- 1) The most recent holiday-Spring Festival will influence the daily work in oversea market most. Some mfrs located in countryside of China will stop sending the goods from end of Jan. and will recover on around Feb.20.
- 2) Our Sinoway team will check emails everyday in holiday since the customers abroad are still active during this period.
- 3) Some items are stopped offering price before the holiday such as clarithromycin, azithromycin etc. due to tight supply in the market. The price of some items tends to increase after the holiday e.g. Chlortetracycline.

### ☆New Products Recommendation

#### High quality Chondroitin Sulfate Sodium

This month, here we introduce high quality CEP certified **Chondroitin Sulfate Sodium**, which is higher than EP standard. This quality is better than the Chondroitin Sulfate Sodium API manufactured in Europe.

**API : Chondroitin Sulfate Sodium, CAS: 9082-07-9**

**API Usage:** For osteoarthritis. It is often used together with other ingredients, including manganese ascorbate, hyaluronic acid, collagen peptides, or glucosamin

**Advantages:**

1. **High quality:** higher than EP 11, Can provide different high quality according to

Address:16/F., HUICHENG COMM.COMPLEX, 839 XIAHE RD.,361000. XIAMEN, CHINA

TEL: 0086-592-5853819 Fax: 0086-592-5854960 Email: xie@china-sinoway.com

www.china-sinoway.com or www.sinowaychem.com

the customer's request.

**(Water content in EP is NMT 10.0% while our water content can reach NMT 5.0%)**

2. **Documents:**CEP,EDMF,USDMF,ISO
3. **Big Capacity:**300mt/year
4. Both **Pharm. Grade and food grade** can be provided
5. **Competitive price:**The price of same or better quality is much cheaper than from European source

Other related APIs we supply competitively

Product Name	CAS No.	Quality and documents
Sodium Hyaluronate	9067-32-7	EP11,DMF,CEP
Glucosamine sulfate potassium chloride	31284-96-5	EP9.5,DML
Enoxaparin Sodium	9041-08-1	EP11,DMF,CEP

\*Import license is required in Europe for Enoxaparin Sodium,pls recheck if you can get the license before importing.
